

San Joaquin Chemicals, Inc.

“Water is our profession”

SINCE 1955

FREE EQUIPMENT CLEANING

We will clean your scaled or fouled
Condenser, Cooling Tower,
Steam Boiler or Closed Loop

FREE!

We offer this service with a one year service agreement commitment
for our chemicals and services.

We guarantee results!

If your system becomes fouled under our program
and you followed our recommendations we will
clean it again!

Restrictions apply.

Call our office

800-647-9577

to schedule your cleaning.

We can usually get to your facility
for cleaning within hours not days.
